Lesson 2.07 · Final blends

Level 2

4 Read the sentences

point under each word with your finger

Pull fast! At dusk, Min and Dad sit and rest,
full and glad. Pull it fast, Sam checks the list,
packs the gift,

5 Heart words

new today

pull **full**

Heart words have a tricky part. The ♥ shows the letters you cannot sound out the usual way. Learn them by heart.

6 Write

trace the new letters, then write a word the grown-up says

-st -nd -nt

Grown-up says: **milk** **sand** **hunt**

GROWN-UP TIP Both sounds stay in the word. Say them quickly one after the other: s-t, st. Slide your finger under the letters as you blend. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.
