4 Read the sentences

point under each word with your finger

Who has a shrimp and a squid? Min has a shrimp and a squid, This is a thrill! Who could help scrub the shop? and grabs a strap to fix the bin. Sam scrubs the mats, and checks the straps on the bin.

5 Heart words

new today

who **could**

Heart words have a tricky part. The ♥ shows the letters you cannot sound out the usual way. Learn them by heart.

6 Write

trace the new letters, then write a word the grown-up says

str spr scr

Grown-up says: **string** **strap** **splash**

GROWN-UP TIP Both sounds stay in the word. Say them quickly one after the other: s-t, st. Slide your finger under the letters as you blend. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.
