Lesson 2.12 · Compound words and closed 2-syllable words

Level 2

4 Read the sentences

point under each word with your finger

for a picnic. Min spots a rabbit Min says, and

Dad grins. for his shift. At sunset, glad and

full.

5 Heart words

new today

does goes two

Heart words have a tricky part. The ♥ shows the letters you cannot sound out the usual way. Learn them by heart.

6 Write

trace the new letters, then write a word the grown-up says

bb dd gg

Grown-up says: **catfish** **sunset** **backpack**

GROWN-UP TIP Two of the same letter still make just one sound. Show it: point at both letters, say the sound once. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.
