Thin sheet, on purpose. Level 5 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: Read, spell, and use words with super- and semi-; learn the first four "commonly useful" roots (labelled that way delibe

1 Words from this lesson

read each word, say what it means

super-hero
a hero with beyond-normal abilities

super-market
a very large market

super-power
a power beyond the normal

super-human
beyond normal human ability

2 Heart words

learn these by heart

different **home**

The ♥ marks tricky letters. Say the word, then spell it aloud.

3 Write

Write 2–3 sentences: "Name one thing in your home that consumes electricity, and one way you could make it more efficient."

GROWN-UP TIP Say each word part first (the prefix or ending), then the whole word. Ask what the new word means. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.

My progress ☐ I read the words ☐ I can say what they mean ☐ I wrote my sentence

Days I practised: ◯ ◯ ◯ ◯ ◯

Words come straight from the course lesson file. Not checked for sound-by-sound decodability: Levels 5-7 read whole words and word parts.
