Thin sheet, on purpose. Level 5 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: Read, spell, and use words with anti-, mid-, under-; learn four more commonly-useful roots; apply both to a passage on h

1 Words from this lesson

read each word, say what it means

anti-freeze
a liquid that works against freezing

anti-social
against/avoiding social contact

anti-virus
software that works against viruses

anti-biotic
a medicine that works against bacteria

2 Heart words

learn these by heart

mo♥ther **an♥swer**

The ♥ marks tricky letters. Say the word, then spell it aloud.

3 Write

Write 2–3 sentences: "Explain, in your own words, why a message that feels instant is actually taking a real journey."

GROWN-UP TIP Say each word part first (the prefix or ending), then the whole word. Ask what the new word means. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.

My progress ☐ I read the words ☐ I can say what they mean ☐ I wrote my sentence

Days I practised: ◯ ◯ ◯ ◯ ◯

Words come straight from the course lesson file. Not checked for sound-by-sound decodability: Levels 5-7 read whole words and word parts.
