Thin sheet, on purpose. Level 6 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: Read and discuss an original text on the Indus Valley Civilisation, independently running the full reciprocal-teaching routine, while reviewing description/sequence text structure and choosing your own syntax focus.

1 Words from this lesson

read each word, say what it means

civilisation

excavate

2 Write

In 3–5 sentences, explain what made Indus Valley cities unusual for their time, and give at least one piece of evidence from the text.

GROWN-UP TIP Read the words together, then ask what each one means. Let your learner write in their own words. Do not rush: a few good sentences beat a full page. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.

Words come straight from the course lesson file. Not checked for sound-by-sound decodability: Levels 5-7 read whole words and word parts.
