Thin sheet, on purpose. Level 6 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: Read and discuss an original text on the 1947 Partition of British India, running the reciprocal-teaching routine independently, reviewing cause/effect structure — and complete the course capstone: a synthesis task across all four knowledge units, a lateral-reading task on a Partition-era claim scen

2 Write

Write one paragraph (5–8 sentences) that connects something from Unit D (this text, or L6.14/L6.15) to something from at least one other unit. You are looking for a genuine parallel or connection — not a forced one. Some starting angles, if you want them:

GROWN-UP TIP Read the words together, then ask what each one means. Let your learner write in their own words. Do not rush: a few good sentences beat a full page. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.
