Thin sheet, on purpose. Level 7 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: Read a lease and an app's terms of service closely enough to state what you're actually agreeing to, what conditions apply, and what's buried in the fine print.

1 Words from this lesson

read each word, say what it means

Obligation

something you are required to do under the agreement (pay rent by the 1st; give 30 days' notice)

Clause

one specific section or provision of a contract, usually addressing one issue. Contracts are read clause by cl

Waive

to voluntarily give up a right you would otherwise have

2 Write

Write a paragraph (6–8 sentences): pick the lease OR the app terms, and explain, as if to a friend about to sign, the two things they most need to know that aren't obvious from a casual read. Use obligation, clause, and waive correctly at least once each.

GROWN-UP TIP Read the words together, then ask what each one means. Let your learner write in their own words. Do not rush: a few good sentences beat a full page. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.

My progress ☐ I read the words ☐ I can say what they mean ☐ I wrote my sentence

Days I practised: ◯ ◯ ◯ ◯ ◯

Words come straight from the course lesson file. Not checked for sound-by-sound decodability: Levels 5-7 read whole words and word parts.
