Thin sheet, on purpose. Level 7 lessons are reading-and-thinking lessons built on a long text, and the text is in the app. This sheet carries only the lesson's word list and writing task from the course data. Words here are not limited to taught sounds, because Level 1 to 4 already taught them all.
Goal: The capstone disciplinary-reading task — read four mixed-genre sources (a data summary, a historical document excerpt, a science-style study summary, and an op-ed) on one real question, apply the right discipline-specific move to each, and synthesize all four into one answer.

Write two or three sentences about what you read today.

GROWN-UP TIP Read the words together, then ask what each one means. Let your learner write in their own words. Do not rush: a few good sentences beat a full page. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.
