Lesson 1.01 · Sounds in Words

Sound games: no letters yet

Level 1

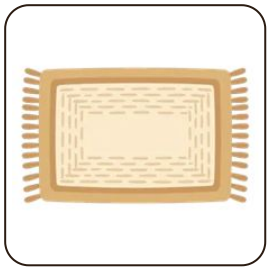

Name _____

Date _____

1 Say the word slowly, one box for each sound

Grown-up: say each picture's name (sun, top, mat, pig, dog). Child says it slowly and taps one box for each sound. Then say the first sound only.

Thin sheet, on purpose. Lesson 1.01 is listening only. The course has no letters in it until the very end, so this sheet has none either. Words printed here: none. Picture names are said by the grown-up.

2 Play it

- "I spy something that starts with **sss**." (sun)
- Stretch a word: "mmm-aaa-t" . Can your child say it fast? (mat)
- Clap the sounds in **dog**. How many? (three)

GROWN-UP TIP Say sounds, not letter names. Keep it playful and short. If your child is stuck, say the sounds slowly yourself first, then ask them to copy you. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.

My progress ☐ I can say the sounds ☐ I can sound out the words ☐ I can read the sentence
