Level 4

4 Read the sentences

No sentence on this sheet. The lesson text has no sentence that uses only the sounds taught so far, and we do not invent one. Read the word rows on page 1 again instead.

5 Heart words review

wh♥ole ea♥rth b♥uy

No new heart word in this lesson.
Here are recent ones to keep fresh.
The ♥ marks the tricky letters.

6 Write trace the new letters, then write a word the grown-up says

Grown-up says: **sadder** **wetter** **thinner**

GROWN-UP TIP This is a review. If a word is hard, say the sounds with your child, slide them together, then try again tomorrow. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right.
