# Lesson 2.11 · Adding -ing and -er

Level 2

## 4 Read the sentences

point under each word with your finger

Min is packing and stacking many bags. Are you helping her? I am helping her fast, You are a fast helper, Min is still packing, Sam is still checking, Sam is helping and checking the list.

## 5 Heart words

new today

**many** **any** **her**

Heart words have a tricky part. The ♥ shows the letters that break the usual sounds. Learn them by heart.

## 6 Write

trace the new letters, then write a word the grown-up says

ing er

Grown-up says: **resting** **checking** **jumping**

**GROWN-UP TIP** Read the base word first, then add the ending. Ask: "What does the new word mean?" Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.
