# Lesson 3.05 · Open Syllables

Level 3

## 4 Read the sentences

point under each word with your finger

We go to spot a tiger. We are so glad we came. The robot has done every task well. Kate is glad she got to do this.

## 5 Heart words

new today

**water** **laugh**

Heart words have a tricky part. The ♥ shows the letters that break the usual sounds. Learn them by heart.

## 6 Write

trace the new letters, then write a word the grown-up says

a e i

Grown-up says: **we** **robot**

**GROWN-UP TIP** A vowel at the end of a syllable says its name. Split the word into chunks, read each, then put them together. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.

**My progress** ☐ I can say the sounds ☐ I can sound the words out ☐ I can read the sentence
