Lesson 3.07 · Soft c, Soft g

Level 3

4 Read the sentences

point under each word with your finger

So nice! said the people, very glad. We had a fine time at the bridge. The city has a big bridge.

5 Heart words

new today

buy **answer**

Heart words have a tricky part. The ♥ shows the letters that break the usual sounds. Learn them by heart.

6 Write

trace the new letters, then write a word the grown-up says

c g ce

Grown-up says: **city** **nice** **cage**

GROWN-UP TIP c and g have a soft sound before e, i or y. If the hard sound makes a nonsense word, try the soft one. Five minutes is plenty: stop while it is still fun. Cheer for trying, not just for being right. For heart words, point to the heart letters first, then say the whole word.
